As Salam Alaikum Wa Rahmatullah,

The Barrie Mosque fulfills many needs of Muslims living in the Barrie area such as offering prayers, conducting marriage and funeral ceremonies, organizing and participating in community outreach, and teaching Arabic, Islamic, and Quranic studies.

Over the past year we have collaborated with Imam Ramzy Ajem and Risalah Foundation on the RCMP's CTIO Workshops and Round Table on De-radicalization. Risalah Foundation has also supported us with educational consulting. We hope to continue with future partnership opportunities with the recently launched Masjid Vaughan Project, and therefore strongly endorse it.

I welcome any further questions and or comments you may have.

Best Regards,

Shaykh Mouhammad Mateen Butt  
Imam, Barrie Mosque
